The best just got better with the reusable and washable Fx3 Protect Mask with Acteev Technology. Other masks try to stop microbes but the germs still collect on the mask's surface. Acteev Protect masks are designed with microbe-fighting zinc ion technology built in to the fabric to destroy germs from the inside out while providing unmatched fit, fabric, and function delivered only by the Fx3 Protect Series.

Claims for Acteev Protect™ - Antimicrobial Technology are made by Ascend Performance Materials, makers of Acteev Technology and Acteev Protect woven material. Toddy Gear, Inc. is not liable for the claims made by Ascend Performance Material in regards to Acteev Protect - Antimicrobial Technology.
