360° Universal Mobile Phone Car Mount

TTA021

This universal mobile phone car mount delivers brand messaging with a double punch. It comes with an ultra-thin phone plate that is imprinted in full-color with a custom design or logo, while the car mount boasts the same branding opportunity. The ultra-thin plate sticks to the back of your mobile device or phone case, which snaps onto the base. The base adheres to any flat part of a dashboard. Brand recognition combined with the utility of docking the phone and driving has never been easier.
