 Production time may vary based on order quantities.

Function, Style, Branding Power

No more waiting to charge one device and then another, quickly charge two devices at once and illuminate brands with this Trifecta™ Quick Charge Dual Port USB Car Charger with LED Illuminated Trim. Utilizing Qualcomm® Quick Charge™ 2.0 technology (TTA-031 only), devices charge 75% faster. Passing enough power between two USB ports, it charges a smartphone and tablet simultaneously. While in use, the full-color, imprinted logo is illuminated, ensuring front-and-center branding on a product that saves the day when electronic devices run out of power.
